Support Samaritan House, Inc. – Help Families Build a Brighter Future

Hi, we are Billy & Kristi Cline, and we're launching this GoFundMe campaign to support the amazing work of Samaritan House, Inc. This incredible organization is dedicated to sheltering, educating, and guiding homeless families with children toward independence. They provide essential services that change lives and foster hope in our community.

Your donations will directly contribute to their mission in meaningful ways, including:

- Providing safe, temporary housing for families in need
- Offering educational programs and resources to help children thrive

Every dollar counts and empowers these families to build a brighter future. Join us in supporting Samaritan House and making a lasting impact in our community.

Thank you for your generosity!
– Billy & Kristi Cline
